

PORTFOLIO

RMSCO Management Services is a Property Management company located in Newmarket. Our company has over 25 years of experience. We currently manage over 35 locations, which include privately owned, residential, non-profit residential, commercial and industrial condominium corporations.

RMSCO Management Services understands that our clients expect a high quality working environment. With that in mind, we are dedicated to insuring satisfaction with a hands on management approach to meet the needs of the owners or condominium Board of Directors. Our years of experience, contractor contacts, technical and financial expertise ensure our clients the highest standards of property management, maintenance and improvements.

Protecting the investment of properties is our number one goal. We maintain each property at the highest level possible, while allowing owners and Board of Directors to focus on what is important to them. Board of Directors and owners alike, are becoming more aware of the complexities of property management and the importance of having a dedicated management service to protect their investments.

RMSCO Management Services was founded for this reason alone. Property Management is our business and with our experience in dealing with a wide variety of properties, you can be sure that our staff will be able to meet the needs of your condominium and help to protect your valuable investment.

Our firm is dedicated to meeting the needs of properties and condominiums such as yours.

CONDOMINIUM SERVICES

At RMSCO Management, we believe the need for property management professionals is crucial, as the technical, legal, and financial aspects of condominiums become increasingly complex. Property management is a fundamental and ongoing process with a specific goal to realize the value of an investment. We are qualified, knowledgeable, experienced and dedicated to helping you achieve this goal.

We work in conjunction with condominium boards to ensure operations run at top efficiency. In addition to providing essential property management at a reasonable cost, we will also enforce relevant legislation applicable to the unit / owner's collective obligations.

In addition, we operate in conjunction with the Condominium Authority of Ontario "[CAO](#)"

Services we provide:

- ~ Regular onsite inspections of all properties.
- ~ Regular up-keep and maintenance of buildings to meet the highest possible standards.
- ~ Implementation of preventative maintenance programs to ensure long-term value and preservation of buildings.
- ~ Financial reports available upon request to owners and directors alike. We encourage an open door policy for our clients who wish to gain access to company and condominium property documents and reports.
- ~ Communication and enforcement of the Condominium Act and related by-laws.
- ~ Representation at all board meetings.
- ~ Preparation of annual budgets.
- ~ Appropriate privacy guidelines within the Condominium Act.

Vacancy

RMSCO Management Services will monitor and plan accordingly as required for each property to assist in keeping vacancies to a minimum.

Policies and Procedures

RMSCO Management Services will assist the Board of Directors in reviewing and updating any policies and procedures in order to ensure effective building operation and maintenance.

MAINTENANCE MANAGEMENT

Effective management of on-site staff to ensure that work is prioritized and conducted to our high standards. Daily and weekly site inspections along with monthly detailed inspections of all areas and equipment; results reported to the Board of Directors.

RMSCO Management Services monitors interior common area and or community centres so that they are kept clean and safe for all tenant, residents, owners, guests and visitors.

Tendering work and negotiation of all maintenance contracts to ensure that the Corporation receives the highest quality service at a fair price.

Our maintenance programs ensure that our properties run smoothly, look clean and attractive, and are maintained at the highest level of quality and service.

On Site Services

First and foremost, we only use contractors that we would allow into our own personal residence.

When a residential unit requires entry, the following steps are taken to accommodate the residents:

- Sufficient notice is given to the resident to attempt entry when they are on premises.
- Arrangements are made with a resident/neighbour on premises to allow contractors entry in and out of unit.
- We have a drop box located at our office for residents/owners to leave keys. Escort contractors into the unit if required and to ensure unit is locked upon contractor completion.
