We are here for you!!!

Re: Mandatory Shutdown of Non-Essential Services

To all of our owners, tenants, contractors and suppliers:

As you are aware, our Premier Doug Ford has ordered a mandatory shutdown of non-essential services.

We are here to let you know that we are an essential service and will continue to take care of your property. We will be available by phone and/or electronically by email at info@rmscocanada.ca for further inquiries.

If you have an emergency your first call should be 911, then please contact us to follow up with your needs. All after hours emergency calls remain the same, through our main line and follow the prompts.

Please, all non-essential services, stay home and stay healthy! We will continue to take all necessary safety precautions during this trying time and always.
